Subject: Invitation to attend BEE Certified Energy Managers and Energy Auditors Conference on 6th – 7th March 2019 at Ahmedabad.

Dear Sir/ Madam,

Gujarat Energy Development Agency (GEDA) is the State Designated Agency (SDA) for the State of Gujarat under the Energy Conservation Act, 2001. Under the said Act, BEE has suggested some mandatory activities for implementation through SDAs, with the help of certified Energy Auditors & Managers, so as to effectively implement EC Act, 2001. One of the activities deals with Conduct of State Level Program with Certified Energy Auditors and Energy Managers to discuss the joint progress made by reviewing consolidating progress at individual level.

With this view, Gujarat Energy Development Agency along with the National Productivity Council, Gandhinagar will be organizing a two day conference of Certified EA/EM at Ahmedabad on 6th – 7th March 2019. The program will help the participant in upgrading their knowledge and skills in latest Energy Management tools, technologies & Solutions through discussions with expert speakers and mutual sharing of ideas.

“Please note that **“No Registration fee”** is charged for attending this program. However participants have to take care of their travel and stay arrangements.”

We take this pleasant opportunity to request the Head of Department to nominate and grant permission to the participant, for attending this program.

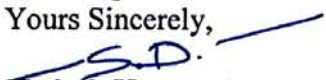

Online Registration is compulsory for attending the program and can be done by visiting the website: <http://www.npcgandhinagar.in>. As total number of seats is limited, therefore confirmation to participate will be done on “first come first serve basis”.

Participants are also encouraged to discuss the case studies of energy conservation projects implemented by the organization during the program.

Should you need any further information, please contact Mr. Amitosh Gautam, Deputy Director, NPC at 9408876165.

We look forward to your participation.
